The scene of the following romance is laid at Yonkers, New York:  
A young lady who was engaged to be married...

A wealthy farmer, while on his way to Kansas city with a load of wheat, the other day, had one of the wheels of his wagon broken. He stopped at the house of a buxom widow to have the repairs attended to, and while there, took advantage of the opportunity to propose a consolidation of their farms and their hearts. The proposition was accepted, and within one week he carried home his bride.

The editor of an Augusta (Ark.) paper saw Jeff. Davis the other day at a hotel in Memphis. He says: "The last time we saw him was down in Georgia, riding thinly by our thin legs, reviewing. And there he sits eating a grey-headed confederate postage stamp. He wasn't insuring lives when we belonged to him."

POINTED PUZZLE.—Here is something worth studying. If any of our readers can solve it and see the point, they are at perfect liberty to do so:

"Let me alone, you good-for-nothing fellow!" exclaimed a bright girl seated by the side of a dull lover. "Why, I ain't a-touched of you," protested the astonished youth. "Well, you might have done it, if you'd liked," was the suggestive reply.

"MY DEAR," said a rural wife to her husband, on a return from town, "what was the sweetest thing you saw in bonnets in Baltimore?" "The ladies' faces, my love."

THERE is an intelligent dog at Mid Pine, Indiana, that whenever company comes to the house, proceeds at once to catch a chicken, a thing that he will not do at any other time.

TO GATHER a crowd of people: Raise a plank in the sidewalk and start a terrier after a rat. To disperse them: Circulate a subscription for the benefit of a poor family.

"MOTHER," said a little five-year-old child, "sister Mary sewed." "Why what did she say?" "I heard her say she wouldn't wear those darned stockings to church."

A CHICAGO lady would go to a fire the other night, and got a stray bullet in her hip. She don't get up now when she hears the fire bells.

A WISCONSIN paper mentions a case where burglars broke into a store, but goods were marked so high that they could not take any away.

A TURKISH Pacha recently caught a rebel, nailed horse shoes to his bare feet, and then gave him half a minute's start before the soldiers fired upon him.

THE abstract propriety of putting rattlesnakes in strawberry beds, to protect them from thieves, is being discussed in Georgia.

SUPPOSE a feller what has nothin' in, marries a gal what has nothin', is her things his'n, or his'n her'n, or is his'n and her'n his'n?

THE next amendment is called "the sweet sixteenth."

NONE of us like the crying of another person's baby.

The New York World's DEMOCRACY.—The New York Sun says, speaking of Chief Justice Chase: "His Democracy has been a matter of principle, and never a party allegiance—for most of his life he has stood in decided and uncompromising opposition to the party which calls itself Democratic."

That is exactly the sort of "Democracy" always professed and still maintained by Marble of the New York World.

A passenger on the Ohio railroad, being aroused from a deep slumber by the jolting of the whistle, exclaimed petulantly: "The train has caught up with those cattle again!"

United States District Court, Western District of South Carolina.—August Term, 1870.—Hon. George S. Bryan, District Judge, Presiding.

**THE GREAT AMERICAN HEALTH RESTORER, ROSADALIS.**  
THE GREAT AMERICAN HEALTH RESTORER, purifies the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty, and many thousands of our best citizens.  
Read the testimony of Physicians and patients who have used Rosadalis. (Send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution. It will give you much valuable information.)  
Dr. R. W. Carr, of Baltimore, says: "I take pleasure in recommending Rosadalis as a very powerful alternative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient presented a 'blanc' (after having taken arsenical medicine). The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and it is an excellent compound of alternative ingredients."  
Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of Scrofula and Secondary Syphilis with satisfactory results—as a cleanser of the Blood I know no better remedy. Benjamin Bechtel, of Kansas, Ohio, writes: "I have suffered for twenty years with an inveterate eruption over my whole body; a short time since I purchased a bottle of Rosadalis and it effected a perfect cure."  
Rosadalis is sold by all druggists. Laboratory, 61 Exchange Place, Baltimore.
